Dessart 10/5/65

With little difficulty I located him at CBS. He was busy yesterday except at the times when I was busy and we arranged for me to call him at 2 o'clock today. He remembered me and remembered things about me from our correspondence when he was at WCAU. I called him 4 or 5 times beginning 10 minutes of 2 and ending about 3 and his secretary had not heard from him. I left a message I would call him next time I was in N Y which would probably be week after next.

Telephine, 765-4321; address, 245 W. 55.

Busy when I called 10/18 and I didn't have time to call back before leaving.
